- = mandatory
- ➔ = double mandatory
- Y = tee
- = target
- = tree

All mandatorys marked along a hole's path are to be accounted for, with the following exceptions:  
 Hole 8: only the closest mandatory relative to the tee is to be accounted for.  
 Hole 12: has a double mandatory, after which there are no other mandatorys to be accounted for.  
 NOTE: Hole 7 starts through a corridor of mandatorys.
